From the President:

Welcome Back!

I hope everyone had an enjoyable break. Finals are very stressful and can leave you feeling burnt out, but I hope that the break was a welcome escape and that everyone is returning refreshed, recharged, and ready for the new semester.

This Spring Semester brings with it journal symposiums, Barrister's Ball, many traditional and non-traditional networking events, and for the class of 2012, graduation. In addition to these events and opportunities there will as always be bar reviews and great lunch time programming throughout the semester. With something to look forward to for everyone, this semester is shaping up to be very exciting. Personally I am looking forward to going on February 10th to the Fairmont in San Jose for Barrister's Ball. This event is always great time and it will be this year as well. More info on the event and ticket sales will be released later this month.

For those who didn't find an internship for this summer in the fall, there are still plenty of opportunities out there for an internship this summer. In the past many students have found great opportunities in the spring semester through PI/PS Day, local Superior Courts, or courts near their hometowns. Remember that it's up to you to be proactive in your job search. Don't be afraid of rejection and make sure you cast a wide net.

I hope this semester brings everyone good fortune. As always if there is ever anything I can do to help, please do not hesitate to contact me.

Sincerely,

Christian Cornejo
