Dear Rumor Mill,
I somehow got scheduled for two exams on the same day. I asked my professors to move one of them and neither one of them can help me! What am I supposed to do now?
2 Grumpy 2 Sign

Dear Grumpy,
Please don't talk to your professors about exam reschedules! If a professor knows that you are rescheduling, they will then be able to deduce that the one late exam they receive is yours – not quite as anonymous as we would like it to be! Fill out the Exam Reschedule Request on the Current Students web page. If you have questions about reschedules or have an emergency situation please call Law Student Services at 408-554-4766 or email lawstudentservices@scu.edu.
