

Santa Clara, 6 April 2014

Dear Vienna participant,

We are very pleased to have you at the Vienna study program. As I will be the responsible manager of this program I will do my best to make the program agreeable to all of you and respond to all possible questions you may have. I am sure you will enjoy being in Vienna which is the most exiting town in Europe with such a long and marvelous history and with so many cultural possibilities.

We will send you the preliminary program with the names of professors from the Vienna University School of law. I will also send you immediately the introductory newsletter with some basic information. Do not hesitate to send me the e-mail and raise more questions. My e-mail is: jtoman@scu.edu

We are very privileged to have the accommodation at the National Defense Academy. It is a military facility with limited access to anybody else than you and with military guard at the entrance. It is very inexpensive, about 15 Euro per day. As Monica already indicated to you, you have to pay for the accommodation in the end of the program, i.e. in the last week. You should pay in Euro in the office No. 27 in the first floor of the Academy. The Academy is not accessible to anybody else than the participants of our program. You can also have very inexpensive early morning breakfast (7.00 – 8.00) and inexpensive lunch or dinner with prepaid tickets. There are also small restaurants and bakeries in the vicinity.

I will need your help. It would be useful if you can send me the time of your arrival to the Academy. You will receive the information concerning the access to your room at the entrance and at the first floor of the accommodation facility of the Academy. I will be myself at the Academy from the Friday 23 May until the end of the program. The military guard at the entrance will know my room number. But I shall also need as soon as possible the following information from you:

Name:

Date and place of birth:

Personal address in the USA or elsewhere:

Cell telephone:

Nationality and No. of the passport:

Date and eventually hour of your arrival to the Academy:

I shall appreciate if you could send me this information as soon as possible.

You will find in the annex more information in the NEWSLETTRE and in the PRELIMINARY PROGRAM. I hope to see you soon and at least in Vienna.

With best wishes Jiri Toman
