Class Representative Election Announcement

Do not forget – voting for your class representative will begin on Tuesday, September 6th and end on Friday, September 9th

You can vote for your class representative on eCampus under the Student Links section. Cast your vote and help determine who will represent your class interests as a member of the Board of Governors.

First Year Students' Candidate Statements

Candidate 1 – Alwyn Lansing

The network we build at Santa Clara Law is nearly as important as the legal education. I would like to host events that connect people personally and professionally. If we graduate from Santa Clara with friendships, professional connections, and good memories, I will have done my job as your class representative.

Candidate 2- Anam Haque's

No statement provided.

Candidate 3 - Callison Morris

For those of you who haven't met me yet –I'm **Callison Morris**, a candidate to serve as your 1L Class Representative! Other than my diverse work history, I am a recent honors graduate of the University of California Santa Cruz and of the CAAP Accounting program here at Santa Clara University. I hold a variety of other degrees and certificates in everything from Peachtree & Excel to Law Enforcement, sailing, and Powersports Business Institute certifications. I am prepared and qualified to serve as your 1L Representative. If you have any questions or if I can be of service, just text or call me at [831-419-1846](tel:831-419-1846); I am excited for this opportunity, and look forward to learning alongside you all in the coming years!

Candidate 4 -Dylan Wade

Hey everybody! My name is Dylan Wade and I am running for 1L Class Representative. As we are all aware, the beginning of 1L year is a total whirlwind of meeting people (and subsequently praying you remember their name the next time you see them), as well as trying to figure out how exactly this whole law school thing works. As a class representative my goal will be to unite the 1L class, as well as listen to and bring our thoughts, concerns, and opinions to the Student Bar Association. I am a firm believer in that through both listening as well

as collaboration within the entirety of the 1L class, we can use not only our massive class size, but also our massive class intellect to create a strong and flourishing environment that will last throughout our entire law school careers. Thanks for reading this, and please consider casting your vote to Dylan Wade for 1L Class Representative.

Candidate 5 - Elaina Chambers

I spent the last four years working as a university professor and as such was involved with a number of administrative committees and councils. These invaluable experiences taught me how to work with university administrators, and how to get what I wanted on behalf of my students. This "inside knowledge" combined with my complete understanding of what it is like to be a 1L perfectly positions me to serve as your class representative.

Canidate 6 - Elena Faddoul

My name is Elena Faddoul and I am running for the SBA 1L Rep position. Student government and organizations have been a passion of mine. Below are just some of my past experiences that I believe showcase that I am the right person for the job:

- A founding member of my sorority's chapter at UC Berkeley (~130 women)
 - Judicial Chair, Executive Committee, Panhellenic Delegate
 - I received the Most Outstanding Senior Award from my sorority.
- Senior Class Council at UC Berkeley (Class of 2015)
- Vice President of Service of my Residence Hall Association (Representing 445 students)
- Community Liaison during the winning candidate's campaign for Academic Affairs Vice President
- Programs Coordinator in the Academic Affairs Vice President's Office in the ASUC
- Student Body Vice President (High School - 1200 students.)

If you think I am the right person for the job, please vote for me on Sept 6-9 on Camino. Feel free to stop me in the hall to say hi or ask any questions!

Canidate 7- Heim Kirin Grewal

Greetings my fellow students! I am Heim Kirin Grewal and I am running for the SBA 1L representative position. My platform is short and sweet. I promise to listen you. As a 1L I'm going to be around on campus a lot, if anyone needs to talk about issues that pop up throughout the year, I promise to listen to my fellow 1Ls (or anyone else who wants to talk) and bring those issues in the SBA meetings. I hope to be able to serve the student body by being your representative. Good luck everyone!

Canidate 8 - Iris Chiu

Hey everyone! I'm Iris Chiu and I'm running for 1L Class Representative! I want to become more involved with our SCU Law community and embark on this journey representing you all. With previous leadership positions as President, Vice President, and Social Chairman, I have the necessary skills to represent our unique class professionally and socially. We have a large 1L class so we deserve to have our opinions heard. CHIU-se me as your 1L Class Rep! And if you haven't met me yet, just know that I am super approachable and love meeting new people~ :)

Canidate 9 - Katherine Rubschlager

As a class representative, I Katherine Rubschlager, promise to be an advocate for the interests of my class and whole-heartedly represent my class to the best of my abilities. In doing so, I will be sure to attend all Board of Governors meetings, and hold weekly offices hours so that my classmates can bring critical issues to my attention and then present them to the board. It is my goal to be as transparent as possible when relaying information between the Board of Governors and my fellow classmates. I have already found my home here at Santa Clara and I hope to give back to this wonderful community as a servant leader.

Canidate 10 - Magenta Williams

Help me bring color to the Santa Clara Law Community. I ask for your support by voting for me for 1L Representative in the upcoming Student Bar Association election. This year, I hope to have a hand in each club by helping with fair budgeting and making sure that everyone has an equal voice. I will also ensure a great level of transparency by making sure students are up to date with the dealings of the SBA. And finally, let's not forget the fun, I promise to make this year's Barristers' Ball worth all the suffering we will undoubtedly endure this year!

Canidate 11 - Marisa Martinson

My name is Marisa Martinson and I am running to be one of your 1L SBA reps. I am incredibly excited for the chance to serve our class in the coming year. I have been on numerous boards and committees in the past, both in undergrad and at work. I have always enjoyed being that person someone can approach to share problems, concerns, and ideas with. I enjoy listening to others and then discovering ways to answer questions, solve worries, and finding ways to put ideas into action. I tend to be the behind the scenes person, usually, sorting out all of the details and turning a plan into reality. I am looking forward to our first year in law school and I hope to be a person you feel comfortable approaching with any of your troubles or amazing ideas. Good luck and go vote!

Canidate 12 - Meg Holtman

My name is Meg and I'm running for a position as a 1L rep because I want to help to make 1L year as simple as possible. As new law students, everyone is already overwhelmed and stressed out and it's ridiculous to think that anyone should be left to deal with any issues that may arise on their own. As a class rep, I would focus my efforts on helping to smooth out any problems with professors that students may be having and ensuring that there are continued channels of communications between students and clubs and other networking resources. In addition to serving as a problem-solver, I would also have a vote in budgetary matters. My vote would go toward funding events that really reflect the needs and wants of my peers, not just those that fit the status quo.

Canidate 13 - Mikaela Burkhardt

Hi fellow students, I'm Mikaela Burkhardt and I'm really excited for the opportunity to potentially be a representative for the 1Ls on the SBA. I'm looking forward to getting involved on campus and getting to know more of you. A couple of facts about me: I graduated with a Business Management degree from San Jose State but grew up in SoCal! I was involved in several leadership positions during undergrad including being President of my Greek organization. I also love playing soccer in my free time. Feel free to message me on FB or find me in person if you ever want to meet up to discuss anything or grab a cup of coffee. (:
