REASON FOR REQUESTING A LEAVE OF ABSENCE

Please rate the following on a scale of 1 to 6, with 1 being "very satisfied" and 6 being "not satisfied". How satisfied were you with:

your interaction with faculty?	1	2	3	4	5	6
your interaction with your classmates?	1	2	3	4	5	6

Registered students in good academic standing may petition for a leave of absence for up to one year. The Leave of Absence form should be submitted to the senior assistant dean for student services. A registration cancellation fee of \$250 and/or full or partial tuition will be assessed, depending on the requested date of the leave. Students on leave of absence are expected to register for the term immediately following the expiration of the leave. Returning students should contact the Student Services Office prior to the registration period to ensure that they have a registration appointment. A student who takes a leave of absence after receiving a grade of "C" or lower in any course offered as a Fall one-semester course during the first year but before receiving final grades for other courses must retake the one semester course upon his or her return. Upon completion of the repeated course, the grade and units earned replace the initial grade and units in the GPA calculation, although the initial grade and units will still appear on the transcript and a transcript notation will indicate that the course has been repeated. After a leave of absence has been granted, if a student does not return by the date specified, the law school may permanently withdraw the student. A student will not be readmitted without submission of an application for admission that will be reviewed by the appropriate faculty committee.

I _____ have returned all unearned loan and grant money to the University. I do not have an outstanding balance with the University. I also have read and understand the Leave of Absence policy listed in the law school bulletin <http://law.scu.edu/bulletin/academic-policies/> and will comply.
