

Eugenia Bergantz, General Counsel & Corporate Secretary, Planful Inc.

Eugenia is a business-focused and innovative Legal, Privacy, Corporate Development, and Operations executive with a track record of taking tech companies through stages of growth and transition. Eugenia specializes in counseling tech companies on legal compliance, corporate governance, privacy, technology licensing, employment, and intellectual property matters. Prior to joining Planful in July, 2020, Eugenia led the legal function at Snaplogic where she established and scaled the global legal function as well as developed an international expansion strategy. Prior to Snaplogic, Eugenia built out and scaled the global legal, privacy, and corporate development functions at Druva Inc., where she took the company from \$40M in ARR to over \$120M in ARR, led acquisition and integration of 2 companies, and assisted in 4 rounds of financing, achieving an over \$2B valuation. Eugenia is also a Board Member for Cybertrust USA, a non-profit organization helping secure data for cities and public organizations. Eugenia is a proud Santa Clara Law Graduate and one of the founders of the privacy law student organization.
