

Jeremiah Chan
Associate General Counsel
Head of Patents, Licensing and Open Source
Facebook

Jeremiah Chan is Head of Patents, Licensing and Open Source at Facebook. His team is responsible for portfolio strategy, technology transactions, open source, and industry-wide efforts to promote greater diversity in innovation. Prior to Facebook, Jeremiah led international teams at Google and JDSU, and started his career in private practice at Fish & Neave. Jeremiah is a member of the USPTO's Patent Public Advisory Committee, and he serves as an advisory board member for Santa Clara's High Tech Law Institute and as chairman of the board for the Bay Area Anti-Trafficking Coalition.
