1. All students who graduated in December 2016, May 2017 and July 2017 are ranked together. Students who graduated should use the "Graduate Rank" row to determine final class ranking. The graduate rankings are usually available in early September. The School of Law is a member of the Order of the Coif, a nationally recognized legal honor society. Students in the top ten percent of their graduating class will be inducted to the Order.
2. Full-time and Part-time students (other than graduates) are ranked separately.
3. JD/MBA and JD/MSIS students completing their second or third year as law students should use the "Second Year Full-time" row to determine class rank.
4. JD/MBA and JD/MSIS students completing their final or fourth year as law students should use the "Third Year Full-time" row to determine class rank.
5. Rankings are computed annually at the end of the spring semester.
6. Students in the upper twenty percent of their class based on cumulative grade point averages will be recognized on the Dean's list.
