Academic Plan Submission Form

Candidates must meet at least once each year with their faculty advisors to discuss progress towards completion of the PIJD requirements and plans for completing those requirements. Flex 3Ls who are not graduating at the end of their 3L year must submit academic plans by May 25. If May 25 falls on a weekend, submit the plan by the preceding Friday.

Academic plans cover both the candidate's completion of overall graduation requirements and completion of PIJD specific requirements by documenting the coursework, experiential learning, and milestones already completed, as well as the candidate's plans for completing additional coursework, experiential learning, and milestones during the next academic year. Academic plans should be submitted first to the faculty advisor for his/her signature, and then to the program directors for their signatures. Please submit this as one single document.

I hereby certify that, to the best of my knowledge, _____
(student)
has satisfied the requirements for their _____ academic plan.
