Flights

San Jose Airport (SJC) is typically the most convenient airport choice. It has many [non-stop flights](#) and is a 10-minute drive from both campus and the conference hotel. [VTA Bus 60](#) (\$2.50 cash) runs about every 15 minutes between SJC and the Santa Clara train station across the street from campus.

San Francisco Airport (SFO) has more flights and sometimes lower airfare prices than SJC, but it's more prone to weather and congestion delays; and ground transportation to campus takes longer and costs more. Uber/Lyft rides take 45+ minutes and cost approx. \$80 plus tip. For mass transit, take [BART](#) to Millbrae station (\$4.95), then switch to [Caltrain](#) and take it to the Santa Clara train station (\$8.25), which is across the street from campus. Allow 90+ minutes.

Oakland Airport (OAK) may have some non-stop options that SJC doesn't have. Ground transportation times and costs between OAK and campus are similar to SFO's.

Hotel

We have a discounted room block at the [Hilton Santa Clara](#) available on first-come, first served basis. The hotel is about 5 miles from SCU and 4 miles from SJC. We will provide transportation between the Hilton Santa Clara and SCU on the conference day. Room rates start at \$179/night (subject to change) plus taxes. ***To reserve a room at the negotiated rate, book [here](#) by February 5, 2025.***

If you need to be within walking distance, the [Sonesta Simply Suites Silicon Valley](#) is across the street from the law school. However, its prices typically are higher than our discounted rate, and some guests object to the train noise.

Meeting Venue

The conference will take place in Charney Hall, on the Santa Clara University campus (500 El Camino Real, Santa Clara, CA 95050). [Campus map](#).

Driving to Campus

If you are driving, you can park on weekend days for free in the university's [main parking structure](#). [Local driving directions](#).
