

Travel Information for the Internet Law Works in Progress Conference
Santa Clara University

Flights

Santa Clara is served by San Jose, San Francisco and Oakland airports.

San Jose Airport (SJC). SJC is often the best choice. It has many non-stop flights and is a 10 minute drive from campus and Candlewood Suites. A free bus (Airport Flyer, VTA #10) runs between SJC and the Santa Clara Caltrain Station, a short walk to campus and Candlewood Suites.

San Francisco Airport (SFO). SFO has more flights and sometimes lower prices than SJC, but it's not always a better choice. First, it has more weather delays than SJC due to outdated runways and its prime fogbelt location. Second, SFO is busier and larger than SJC, so navigating the airport usually takes longer. Finally, its distance from campus—about 40 miles/45 minutes without traffic—means extra post-flight travel time and expense. Ground transportation options between SFO and campus include:

- Uber/Lyft (approx. \$80 plus tip)
- Taxi (approx. \$125 each way plus tip)
- Pre-arranged car service (approx. \$110 each way plus tip)
- Shared ride service such as SuperShuttle (approx. \$45 each way plus tip)
- Car rental. Include an extra 10 minutes for the airport tram between the airport terminals and the car rental center.
- Mass transit. To get to campus, take BART to Millbrae (\$4.55), then switch to Caltrain and take it to the Santa Clara train station (\$8.25), which is across the street from campus and next door to Candlewood Suites. You should allow 90+ minutes for this option.

Oakland Airport (OAK). OAK and SJC are similar in size, but OAK has some non-stop options that SJC doesn't have. OAK is about 40 miles/45 minutes from campus, and ground transportation options/costs are about the same as SFO's (but mass transit is even more difficult).
