

Lara Bleisner
Sr. Counsel, Data & Privacy
Arm

Lara Bleisner is Sr. Counsel for Data & Privacy at Arm. Her areas of specialization include cloud computing, complex commercial transactions, compliance, international data privacy and security, and securities/SEC reporting, among other areas.

Before she joined Arm, Lara was in-house counsel at Egnyte and eGain. Prior to that, she provided legal services as acting in-house counsel to a number of Silicon Valley technology companies.

Lara earned her Master of Laws (LLM) at Santa Clara University School of Law and her Juris Doctor from Lincoln Law School of San Jose. She earned her Bachelor of Arts from San Francisco State University. Lara is CIPP certified by the International Association of Privacy Professionals and GDPR-P certified by IT Governance Ltd.

In her free time, Lara volunteers for the events committees of Women in Security and Privacy and Leading Women in Technology.
