## February 2019 Bar Exam Application

The Application for the February 2019 Bar Exam is now available:

<https://www.calbarxap.com/applications/calbar/>

Dear Rumor Mill,  
As I sit here in my 10 pm Law of Sidewalk Repair class, I can't help but wonder why I keep getting such terrible registration appointments. Did I somehow offend the system manager? Maybe I cut her off one day while driving on campus? How can I remedy this situation? Do you accept bribes? Chocolates??

Sincerely,  
Last Appointment Leslie

*Dear Leslie,  
Appointments are randomized by the computer and you, apparently, have been unlucky. Students register according to the number of units completed and their division. You have 2 appointments, which will hopefully give you the opportunity to get some classes that you want. In the meantime, register right at your appointment date and time, get the best schedule you can, put yourself on waitlists and if your schedule is absolutely horrible send us an email. We do a really good job of clearing waitlists and will keep trying. Sorry.*

## Registration for Spring 2019 begins THIS WEEK!

- Log on to E-Campus on your appointment day and time to register.
- E-Campus will not let you register until your appointment time.
- You have 2 appointments: the first for 6 units, the second for the remainder.
- If you have registration issues, contact Law Student Services at 408-554-4766 between 8:30 AM- 5 PM. After hours, leave a message or email lawstudentservices@scu.edu.
- Have a plan B if your desired classes are closed - register for your back-up schedule.
- **Put yourself on the wait list for the classes you want. \***
- Full time students must be registered for 12-17 units.
- Part time students must be registered for 8-11 units.
- **First Year Students:** Don't worry, Student Services will register all 1Ls. Please make sure you have no holds on your account.
