

Dr Jestlan Hopkins

Manager, KPMG

Dr. Hopkins is an accomplished privacy professional, genuinely committed to advancing consumer privacy and ethical business practices. He has helped organizations meet their compliance needs through policy development, comprehensive internal-, vendor-, and customer-facing training programs, privacy impact assessments, and internal and external audits. Jestlan resided in Paris, France for over a decade, where he received his M.A. and Ph.D in Information Sciences from the University of Paris. In January of 2017, Jestlan was appointed a two-year term as SF/Bay Area Chapter KnowledgeNet Co-Chair for the International Association of Privacy Professionals (IAPP). Jestlan is also an IAPP member, and a CIPP/US certification holder. In addition to the IAPP, Jestlan has also had the privilege of serving as an Advisory Board Member on the Future of Privacy Forum from 2016-2017.
