

## **Gordon Yamate biography**

I currently serve as chair of the In-House Counsel Committee of the National Asian Pacific American Bar Association, where we focus principally on providing leadership training and professional development guidance to our in-house members. We do that through our continuing education programs at our annual convention and our year-round mentoring program that pairs senior in-house attorneys with their junior counterparts.

I am a Senior Fellow of the American Leadership Forum-Silicon Valley. Every year, ALF-SV brings together a select group of leaders from the nonprofit, public and private sectors to engage them to work for the public good.
